Cheadle traffic from the south to the north

Cheadle traffic from north to the south and east  
(In front of the vehicle)

Cheadle traffic from the north to the south and east  
(Behind the vehicle)

Cheadle Traffic from west to north and south through the high street  
Shoppers & Children have to breathe fumes from slow moving traffic.

Cheadle traffic from south and north to the west

Congestion Both South (Left) and North Bound (Right)  
No traffic filter lanes were introduced prior to approving  
New build positions (left and right).

Heavy goods vehicles frequently mount the curb to pass,  
this is a main walkway for our children to the local schools
