

R.E Housing allocation at Endon EN128.

Dear Angela,

I would like to be registered for the meeting Wednesday 17.10.18 at 14.30, at Moorlands House.

I do have concerns on all issues 4.1 4.2 & 4.3, but my main concerns are issues related to 4.4:- can any flood risk and surface water be mitigated? Having experienced flooding in areas around the brook, that runs along side the proposed site, I fail to see how removing a natural soakaway will help the situation.

Yours Faithfully

M.K Cotton (Mrs).
