SUBJECT Land off York Close, Gillow Heath, Biddulph – Supportive/Confirmation of
Interest Letter from Humphries (Builders) Ltd

Dictated by Grant Dinsdale, typed and sent in his absence

Good morning Andy

I refer to my correspondence of 9 June and our related telephone conversation regarding the above.

I can now attach a copy of the letter I received yesterday from Kevin Humphries addressing this matter.

As is stated in the letter, Kevin is very interested in discussing as early a subject to planning permission deal on the site as possible. Accordingly, can I respectfully request that you revert with a potential outline of the structure(s) of an agreement which might address this objective from both parties' perspectives?

I look forward to hearing from you.

Kind regards.

Yours sincerely,

Grant Dinsdale
