**Notes**  
The Environment Agency provide a free flood warning service for many areas at risk of flooding from rivers and the sea. In some parts of England the Environment Agency may be able to provide warnings when flooding from groundwater is possible.

The Environment Agency free flood warning service can provide advance notice of flooding and can provide time to prepare.

Flood Warnings are issued to homes and businesses in specific areas when flooding is expected. Upon receipt of a flood warning, occupants should take immediate action.

Flood Alerts are issued to homes and businesses in larger areas when flooding is possible. Upon receipt of a flood warning, occupants should be prepared for flooding and to take action.
