Subject: *URGENT* Information about Public Highway land for Biddulph Neighbourhood Plan Examiner

Afternoon,

The Biddulph Neighbourhood Plan is currently undergoing examination by an independent examiner who is trying to establish whether it is appropriate for the Town Council to allocate a number of parcels of land in close proximity to the highway as Local Green Space (LGS). All of the parcels of land are within Biddulph Parish.

Consequently, I would like to find out whether any of the sites listed below (with attached pdf maps) are adopted as public highway on the examiner's behalf please. (If they are adopted it is unlikely that they will be suitable for an LGS designation):

- Site 4
- Site 6
- Site 8
- Site 13
- Site 21
- Site 28
- Site 31
- Site 47
- Site 62
- Site 68
- Site 76
- Site 79
- Site 80

I realise that there is a lead time of 25 working days for you to provide this information, however, if you could do this any earlier it would be much appreciated.

Many thanks
