

Know Your Bins

 Do not put plastic bags in your recycling.

Items should be empty, clean and loose

All rubbish should be secure in the bag

Bags must not be presented for collection in wheeled bins. Where wheeled bins have been provided for storage, bags must be removed from the bin ready for collection.

 We collect 4 sacks each fortnight. Extra waste will not be taken.

 We don't empty any boxes containing incorrect materials. Check what you can recycle online.

 If you find it hard to put your sacks or box out, we offer an assisted collection service.

 Bad weather can affect collections. Updates will be added to the website to keep you informed.

 Don't report any missed collections until after 4pm on your collection day - crews may still be out working.

 Report a missed bin within two working days or we won't be able to return until the next collection

Please continue to recycle correctly
